JULY DOCKTAIL PARTY

Main Dock at C/D

Our July Docktail Party will have an Italian Theme to help celebrate the waterways of that beautiful country. "Acqua" is an important element in the geography of Italy: the 150 canals of Venice, Lake Como, the Po, Tiber and Arno Rivers, the Blue Grotto of Capri, and the Mediterranean Sea all have an impact on the history, culture and food.

Appetizers will be provided by the SNYC – **you need to bring your adult beverage and your chair to join in the fun!** Perhaps a nice bottle of Chianti, fizzy San Pellegrino, or sweet and tart Limoncello?

CHRISTMAS IN JULY PARTY
Office Deck and Picnic Area

There will be only 152 shopping days left until Christmas! Let's have a party!

Plans include: a boat decorating contest – with prizes! Games – with prizes! Our traditional 50/50! Christmas Dinner!

Wear your Red and Green, ornament jewelry, Santa hats, reindeer antlers, and elf ears!

Bring a traditional Christmas Dinner side dish to go with the ham and turkey. Bake some Christmas cookies for dessert!

More details will be sent shortly in a separate e-mail to all SNYC members to RSVP and sign up for the pot-luck dishes. Volunteers will also be needed to help with the event.

This is an all age event, so bring your children and grandchildren for some Christmas fun in July.

UPCOMING CRUISES:

*Haven Harbour Marina,
Rock Hall, MD
August 14-16, 2015*

*Lighthouse Point Marina
Baltimore, MD
September 18-21, 2015*

Details can be found on the SNYC bulletin board in the main office, or e-mail Fleet Captain Diane Russell at i24klady@aol.com for more information.

Make your reservations, and notify Diane so you can be included in all of the cruise related emails!

Specific plans will be made for each cruise depending on the number attending, and the days they will be at each location.

Can't come by boat? Come by land!

Remember that Haven Harbour Marina on Swan Creek is a great destination for **power and sail boats!**

AND IN THE AREA:

Saturday, July 18, 2015
DELAWARE CITY DAY

The Parade is at 11 AM, followed by a day of Music, Vendors, Crafters and Fun. The "best fireworks in the state" begin at dusk.

PIRATES & WENCHES WEEKEND

Rock Hall, MD

See rockhallpirates.com for all of the swashbuckling information!

Great Oak Landing Wrap-Up

The calendar read June, but the thermometer read August! Five SNYC boats headed to Great Oak Landing Marina for a hot and steamy weekend, June 12-14. Three additional boat owners made the trip by land to join in the summer fun!

The pool, the beach and the bay were all great places to cool off. The Beach Bar-B-Q was a lot of fun – no one went home hungry, that's for sure!

SNYC made a lasting impression on Great Oak Landing. No one had probably seen the picnic tables on the beach vacuumed before, and it's a good bet we brought the first "naked chef" to do our grilling.

RECYCLING

REMINDER: The marina has a **RECYCLING ONLY** dumpster. It is the big blue dumpster on the edge of the lower parking lot. It is for cans, bottles, cardboard, paper, and plastic **ONLY**. **NO TRASH PLEASE!** Need to transport your recyclable materials? Those *West Marine* brown paper bags with handles are the perfect answer!

SAFETY REMINDER

Leaving your home marina? The US Coast Guard, Sea Tow and Boat US all recommend filing a **FLOAT PLAN** with a reliable person. This person should contact the proper authority if you do not arrive at your destination. Change of plans? Notify the person holding your Float Plan. If you need a Float Plan form, you can download one from any of those organizations.

Safety First!

Found a PEANUT.....

A big **THANK YOU** to everyone on the docks and at the marina who looked for Peanut, the lost cat from *Charisma III*.

We are happy to report that she is safe, after being fed and kept warm by F&S Boatworks.

A REMINDER TO PET OWNERS: Make sure your pet has a tag or some other form of identification so you can be reunited if lost or missing.
