Spring Has Sprung!

It is time to plan your 2015 cruises. The details for the 2015 SNYC cruises are attached, with all rates, contact information, proposed activities, and information about each port-of-call.

We have tried to put together a calendar and schedule which will have some variety, while appealing to the membership.

You are responsible for making your own reservations. Please call each marina with you credit card ready. They will need you boat name, LOA, beam, draft, the dates of your stay, and contact information.

Once you make your reservations, please e-mail the Fleet Captain, Diane Russell, so she can add you to the list for that particular trip. Diane's e-mail is: i24klady@aol.com. If you have any questions about any trip, please feel free to e-mail Diane.

An e-mail with specific information will be sent prior to each trip to the reserved members.

If you have not renewed your membership for 2015, please do that before you reserve for any cruises. For membership forms go to: summitnorthyachtclub.org

NOTE: Slips at St. Michaels will be held until approximately April 22, 2015. The Dockmaster, Matt, will not return to the marina until April 22, 2015. You can make your reservation with Fred, in the meantime.
